

Middle School Financial Information

2024/2025 school year, Grades 5 - 8

Our Core Classes include ELA, Math, Science & Social Studies, offered Mondays and Wednesdays. Our school year consists of two 14-week semesters.

Science is a hands-on approach to Earth & Space Science, including appropriate Texas TEKS for each grade level.

Social Studies is either Texas History, World History/Geography or US History depending on grade level of the student, including appropriate Texas TEKS for each grade level.

Core Tuition Package

\$4,500 per student for school year

Core Tuition Package plus 2 electives (one spring/one fall)

\$5,375

Core Tuition Package plus 4 electives (two spring/two fall)

\$6,250

Core Tuition Package plus 6 electives (three spring/three fall)

\$7,150

Electives are offered for both spring and fall semesters and are optional for students to enroll in separately or in addition to core classes. Each elective is 1 hour per week and spans the 14 week semester.

To reserve a spot for your student, we require a \$150 non-refundable deposit for new students (\$50 for returning). Deposits will be deducted from the total tuition once payments begin.

Tuition can be paid in full, by semester or divided into monthly payments. Monthly tuition payments will begin July 5 and be divided over 10 months. Full payment or semester payments for tuition are due August 5 and December 5.

Monthly tuition payments must be set up through our autopay system. Full and semester payments can receive a discount of 3% if paid in cash or check.
